**Recital is an exciting time for the dancers. Focus and concentration is important as we prepare the dancers for the stage. In order to help them focus, a curtain will be hung on each studio door as well as on the mirrors. This helps them truly watch the teacher, become aware of their surroundings, and retain the routine they are working on.**

As costumes arrive at the studio, they will try them on. They will be hung, labeled, and stored until May when they are sent home.
