💜 We Promise To...

1. Create a Positive Environment:

Your child will be welcomed with kindness, encouraged with joy, and surrounded by positive role models every time they walk through our doors.

2. Nurture Confidence & Character:

Beyond technique, we teach perseverance, teamwork, self-belief, and self-discipline — building strong students and even stronger humans.

3. Prioritize Safety & Respect:

We're committed to maintaining a clean, organized, and safe facility - focusing on age-appropriate instruction, your child's physical and emotional safety is always our priority.

4. Communicate Clearly & Promptly:

We value transparency and strive to keep you informed, involved, and heard at every stage of your child's experience.

5. Celebrate Our Students:

Whether performing on stage or learning new skills, every child matters. We honor progress, effort, and individuality in every class.

We're more than a studio — we're a family.

Thank you for trusting us with your child!

Prepare for dance class

1. Bring a dance bag with all dance shoes
2. Wear proper dance attire
3. Be sure hair is secured away from face
4. Bring a labeled water bottle to class
5. Use the restroom prior to entering the classroom
6. Parents, while we are all excited, please refrain from hanging around the doors and windows and taking photos that may distract your dancers attention.

BE PREPARED

TUITION DUE SEPTEMBER 1ST

Dance Class Tuition is due on the 1st of each month. Please log into the parent portal to check your balance via the studio website.

You may pay via Venmo (GLDA-1379), pay directly in the parent portal, or cash-check-card at the studio lobby. **If tuition is not received prior to the 10th of the month, a \$20 late fee will be added to your account.**

Dance tuition is structured as 10 equal monthly installments for the dance season. These installments are calculated based on the full program cost and divided evenly across 10 months for consistency and convenience.

Please note that tuition is not determined by the number of classes in a given month. Whether a month contains 3 weeks or 5 weeks of instruction, the monthly tuition payment remains the same.

This system ensures a balanced and predictable payment schedule for all families throughout the season.
