

Guiding Light Dance Academy

ISSUE 2 | OCTOBER 2026

The season is off to a wonderful start! The dancers are demonstrating tremendous growth already and I am thrilled to continue this journey with them.

Did you know, most dancers take more than one class per week?! If you are interested in adding another class for your dancer, speak with Ms. Jen to have them join a new class now!

The studio is **OPEN** for regular class
on Monday, October 12th

October 24th-29th
Dancers may wear a
costume to class.

Costumes must still allow dancers to move freely and be properly viewed by their teachers. No face paint, weapons, masks, or hand held accessories allowed.

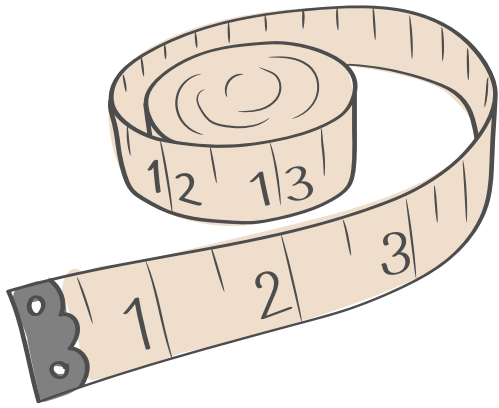

The studio is CLOSED for Halloween
on Saturday, October 31st

OCTOBER TUITION DUE

Dance Class Tuition is due on the 1st of each month. Please log into the parent portal to check your balance via the studio website. You may pay via Venmo (GLDA-1379), pay directly in the parent portal, or cash-check-card at the studio lobby. **If tuition is not received prior to the 10th of the month, a \$20 late fee will be added to your account.**

Recital Preparation: Costume Sizing

Costumes for our 16th annual Recital must be ordered no later than December 1st. Your dancer will be measured by their teacher during classes the week of October 12th. Rest assured, we do take into account growth spurts before they are worn in June.

Costumes are \$75 per class. If you dancer is in a combo class, they will do two dances in the Recital but utilize one costume.

A costume deposit of \$50 per class will be due with your November tuition and the remaining balance of \$25 per costume will be due with your February tuition.

Costume costs are non refundable.

Reminder

- Parents are not to enter the studio classrooms. The staff is well trained in all circumstances. Please discuss any concerns with the front desk who will connect you with Ms. Jen if necessary.
- All dancers should have their shoes in a dance bag. Most classes will be bringing their bags into class to avoid troublesome shoe transitions. Everyone's dance shoes should be labeled with their name.
- All dancers should come to class in proper dance attire so their teachers may see their body work properly.
- All dancers hair must be pulled back away from their face for all classes.

Happy Birthday!!!
